## Experience

---

### Fullstack Academy, Remote || Student

Feb 2024 – June 2024

- Top-ranking graduate of the online full-time full-stack web development bootcamp.
- Led projects implementing Agile methodologies, GitHub workflows, and continuous integration.
- Conducted code reviews and pair programming to maintain high code quality.

### Community.co, Remote || Community Manager

July 2019 – June 2023

- Educated Cointelegraph clients on blockchain and crypto-related topics, and answered questions in the forums.
- Planned publishing opportunities and helped manage events and webinars for VIP communities.
- Increased user engagement from 2% to 7% with strategic development.
- Trained team members in community tactics and reporting.
- Developed engaging content strategy around blogs, guides, and whitepapers.

### Internet Brands, Remote || Community Manager

July 2013 – July 2019

- Managed cross-functional teams in community forums and customer support.
- Assisted with project management, product development and UX design.
- Improved user retention 5% by implementing user-generated content contests.
- Increased moderator productivity and satisfaction from 61% to 96%.
- Handled customer support issues and abuse reports.

## FullStack Academy Capstone Projects

---

### Alley Cat: Retro Side-Scroller Game || Project Manager & Developer

June 2024

Led a team of 4 developers in building a retro-feeling side-scroller game using vanilla JavaScript and HTML5 canvas. Implemented project management best practices. Configured continuous integration testing and performed code reviews. Code deployed at [github.com/Cherry-Stone-Studios/Alley-Cat-Game](https://github.com/Cherry-Stone-Studios/Alley-Cat-Game).

### E-Commerce App: PokeDealers || Developer

May 2024

Worked with 2 other developers on a full-stack e-commerce app to provide a user-friendly shopping experience. Utilized React, Express.js and Prisma for database management. Code located at [github.com/Charmelions/PokeDealer](https://github.com/Charmelions/PokeDealer).

## Education

---

### University of Washington, Seattle, WA

2011

Bachelor of Arts in Anthropology & Archaeology, Summa cum laude
