FullStack Academy Capstone Projects

Alley Cat: Retro Side-Scroller Game || Project Manager & Developer

June 2024

Led a team of 4 developers building a retro-feeling side-scroller game using JavaScript with Canvas, HTML5/CSS3 and Prisma ORM. Implemented continuous integration and unit testing. Utilized project management best practices, including swimlanes and pull-request workflows. Code deployed at github.com/Cherry-Stone-Studios/Cherry-Stone-Studios.

E-Commerce App: PokeDealers || Developer

May 2024

Worked with 2 other developers on a full-stack e-commerce application to provide a user-friendly shopping experience for Pokemon. Utilized React.js, Express.js and Prisma ORM. Code located at github.com/Charmelions/charmelions.
