

Hannah R. Johnson

Kalamazoo, MI 49007 | 360-951-0354 | find.serendipity@gmail.com

Objective

A detail-oriented and organized professional with over two years of experience in customer service and administrative support. Seeking to leverage strong communication skills and proficiency in office procedures to contribute effectively as a Receptionist or Administrative Assistant. Eager to provide exceptional service and support in a dynamic office environment.

Skills

- **Office Administration:** Microsoft Office Suite (Word, Excel), Google Suite, Data Entry, Report Preparation, Filing, Scheduling, Mail Processing, Answering & Screening Calls.
- **Customer Service:** Exceptional Written and Verbal Communication, Guest Reception, Needs Assessment, Problem Resolution, Confidentiality, and Client Support.
- **Professional Attributes:** Highly Organized, Strong Prioritization & Time Management, Detail-Oriented, Adaptable, Dependable, Team-Oriented, and Trustworthy.

Experience

Guest Experience Ambassador

Aug 2024 – Current

Air Zoo Aviation Museum, Portage, MI

- Operated the ticket desk, serving as the first point of contact for visitors, and manage front-desk communications including phone calls and mail distribution.
- Assisted with membership services, including data entry, creating reports with graphs and charts, and assembling welcome materials.
- Applied conflict resolution and active listening skills to address guest concerns and foster a welcoming environment.
- Gathered and analyzed membership data to prepare reports for investors, highlighting community impact in specific neighborhoods.
- Provided safe and timely transportation for guests between campus locations via the shuttle service.

Freelance Project Support

Sep 2023 – Current

Communitrix, Remote

- Provided dedicated administrative and customer support to a diverse client base, ensuring clear and effective communication.
- Managed and maintain confidential client records, ensuring all project data is accurate and up-to-date.
- Organized and prioritize numerous tasks to meet deadlines and support client objectives.

Community Support

July 2019 – June 2023

Community.co, Remote

- Compiled and analyzed community data to prepare weekly reports with visual aids for stakeholders.
- Delivered timely and helpful customer support to members via email and online forums, accurately assessing their needs.
- Maintained organized records regarding memberships, events, and member activities, ensuring data integrity.
