To whom it may concern,

This letter is to note that the date of my last flu shot was 04/09/2025, and I cannot recall the date of my last Hepatitis B vaccination, but I have received the full series in the past.

Since I cannot provide adequate documentation of my vaccination history, I am writing this letter to provide my consent to receive the necessary vaccinations to meet the requirements for employment at the Family Health Center.

Thank you for your concern and consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Hannah Johnson', with a large, stylized initial 'H' and a long, sweeping horizontal stroke at the end.
